Customer Experience: CSAT performance • SLA adherence • Customer education • Knowledge base and FAQ development • Response macros

Team & Operations: Workflow improvement • New-hire mentoring • Cross-functional collaboration • Website quality assurance

Tools: Zendesk • Salesforce • Jira • Slack • Google Workspace • Workday

PROFESSIONAL EXPERIENCE

Digital Operations & Client Support Specialist (Part-Time) | Wink & Tell 2025–Present

- Supported website quality checks and digital operations, identifying content and functionality issues.
- Assisted with research and documentation to streamline internal processes and improve service delivery.

Product Support Specialist | Sprout Social Feb 2023–Feb 2025

- Resolved high-volume customer inquiries through ticketing and live chat, troubleshooting SaaS platform issues.
- Developed reusable support response macros shared department-wide to standardize communications and streamline responses.
- Maintained internal and customer-facing help center content; escalated complex technical issues and bugs for further investigation.

Customer Support Specialist II | Greenhouse Software Aug 2021–Feb 2023

- Earned promotion to Tier 2 support, handling more complex issues and mentoring new team members.
- Collaborated with Product, Engineering, and Customer Success to surface recurring customer pain points and product trends.
- Created and refined reusable support macros to improve consistency and efficiency in customer responses.

Customer Support Specialist I | Greenhouse Software Apr 2019–Aug 2021

- Supported SMB, midmarket, and enterprise customers with SaaS troubleshooting through chat and tickets.
- Consistently met or exceeded support KPIs and maintained a 98% CSAT score over a two-year period.

Technical Support Specialist | Xero, Inc. Jan 2014–Apr 2019

- Provided product and technical support to accounting and bookkeeping professionals by phone and email.
- Contributed to knowledge base articles and FAQs and helped facilitate a mentorship program for team members.

EDUCATION

Northern Virginia Community College | Associate Degree, Business Administration
